MERIDIAN HOSTS “UNPLUGGED” TOWN HALL

MERIDIAN – Meridian Mayor Tammy de Weerd and other City of Meridian leaders will hold an “Unplugged” Town Hall meeting on Wednesday, July 22, 2015 at the Meridian Library District (1326 W. Cherry Lane) from 6:30 – 8:00pm.

The “Unplugged” format gives residents a chance to choose the topics of discussion and guide the conversation with City leaders. The City of Meridian will gather questions via social media or residents can email questions or topics they would like to see covered to communications@meridiancity.org.

The Meridian Library District will also be sharing plans for a new technology branch located in Downtown Meridian. The new branch will extend the library’s digital services by offering programs and technologies to the downtown business district. Plans include 3D printers, computers, video, audio/design software, and large scale printing, among other things.

For those unable to attend, the meeting will be live streamed and recorded. To access the live stream or recording, visit www.meridiancity.org.
